DISCUSSION & DECISION ON SCHUBER MITCHELL'S REQUEST FOR WATER SERVICE IN PROPOSED SUBDIVISION OUTSIDE CITY LIMITS

Judd McPherson presented the council with updated numbers on a lift station. He said they used the amounts from the Rainer Farms subdivision, which would be \$776,000 for the lift station and they estimate it would cost \$1.4 million to put that area on sewer.

Carole Wofford said she believes it sets a bad precedent to let them hook up to city water without them annexing inside city limits. Hollie LaVigne said she believed that for them to receive city services they should have to be inside city limits. Roger Spencer said he's against it because the city has considered this issue before and turned it down. Walter Hayes said he believes it's a bad idea because at some point in the future it will create an island that is not inside city limits. Bob McAfee motioned to put Schubert Mitchell's request to a vote. None in favor. All opposed with one absent.

APPROVAL OF BIDS FOR 17' FINISH MOWER

Steve Lawver said we receive two bids for this item: one from Lambert Tractor for \$26,992 and one from S&H Farm Supply for \$26,399 and he is recommending approval of the bid from S&H Farm Supply. Steve said this would be a new piece of equipment for larger areas of land to be mowed and because it's a finish mower it will leave a nice clean cut. Anita Francis asked if the bid was still good because it shows an expiration date of 1/19/26 and Steve Lawver said yes. Roger Spencer motioned to approve the purchase of the mower. Anita Francis seconded. All in favor. No opposed with one absent.
