

The City of Carl Junction is accepting bids for rubberized crack sealing, seal coating and striping of parking lots.

Community Center parking lots. 3 parking lots adjacent to the Community Center located at 303 N. Main St. 1 parking lot is west of the building and 2 parking lots are south of the building. Work to include: Clean parking lot of all vegetation, grit, dirt and debris with high pressure blowers and brooms. Apply rubberized crack sealer on all crack ¼” or wider. Apply sealer around car stops and curbing without overspray. Parking lots shall be cordoned off with cones and safety tape for 24 hour cure. Striping for parking and handicapped stalls.

Police Department parking lot. Parking lot surrounds building on 3 sides located at 302 N. Main St. Work to include: Clean parking lot of all vegetation, grit, dirt and debris with high pressure blowers and brooms. Apply rubberized crack sealer on all crack ¼” or wider. Apply sealer around car stops and curbing without overspray. Parking lots shall be cordoned off with cones and safety tape for 24 hour cure. Striping for parking and handicapped stalls.

Winning bidder will have 30 days from the acceptance of the bid by the Board of Aldermen to complete the project. Bids are to be received by the City Administrator, PO Box 447, 303 N. Main, Carl Junction MO 64834. Proposals may be emailed to cjcityadm@carljunction.org. Bids shall be received before July 12th, 2024 at 2 pm. Bids are set to be reviewed by the Board of Aldermen on July 16th, 2024 at 7pm. The City reserves the right to accept or reject any or all bids.
